Wellbeing of staff and customers

Exclude staff, performers and attendees who are unwell from the event.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will remind all participants (players, team officials and spectators) to not attend cricket training, matches or other activities if they feel unwell or are experiencing any symptoms of COVID-19.

Additionally, officials from Wakehurst Redbacks Cricket Club (coaches/managers/senior team captains) will be directed to screen members before cricket related activities and exclude members who are exhibiting any symptoms of COVID-19 as listed on this webpage:

<https://www.nsw.gov.au/covid-19/symptoms-and-testing>

Should a participant be found to be demonstrating a COVID-19 symptom(s) they will be asked to immediately leave the venue, self-isolate and seek medical advice. Prior to returning to any cricket activity, Wakehurst Redbacks Cricket Club will require the participant to provide a recent negative COVID test result or medical certificate stating that they are fit to resume activity.

Provide staff with information and training on COVID-19, including on when to get tested, physical distancing, wearing masks, and cleaning.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will communicate the latest information regarding COVID-19 to participants, including volunteers and match officials, on a regular basis by sharing updates from the Cricket NSW website.

Volunteers and team officials will be asked to complete the Infection Control Module training and to read the information relating to “Workers” on the Safe Work Australia website prior to commencing any cricket activities.

Display conditions of entry including requirements to stay away if unwell and record keeping.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will direct all participants to check-in via QR codes at the venue or facility using the Service NSW Check-in App.

This will include:

1. The net facilities at Lionel Watts and any other training location (Terrey Hills Nets, Bambara Nets) nominated by a team as a training location.
2. The storeroom facility at Lionel Watts
3. Game locations in accordance with the requirements of MWJCA and/or Northern Beaches Council

Where appropriate the club will make available electronic versions of the Service NSW QR codes for venues to facilitate check-in by participants.

Additional record-keeping of players and officials will be recorded in our competition management system.

Resources, posters and information about COVID-19 and the requirement to stay away if unwell will be displayed at appropriate locations around venues and facilities, including:

1. entry and exit points of the venue and indoor areas of the facility where clear entry and exit points exist
2. known congregation points at venues where clear entry and exit points do not exist

Where Wakehurst Redbacks Cricket Club identifies any language, cultural and disability barriers to communicating COVID-19 information to participants, we will make use of the resources available at <https://www.nsw.gov.au/covid-19/resources-other-languages>.

Other types of venues or facilities at the event must complete COVID-19 Safety Plans where applicable. If contact details are captured electronically upon entry to the event on the relevant day, additional collection of contact details via electronic methods may not be required if there is no other public access to the sub-premises. However, additional contact details and time of entry must be captured if the event has sub-premises that are gyms, entertainment facilities, hospitality venues, nightclubs and retail premises.

Agree

Yes

Tell us how you will do this

There are no sub-premises at this venue.

Encourage staff to access COVID-19 vaccination.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will send communication to volunteers and match officials encouraging those that are able to get vaccinated, to do so.

Physical distancing

Capacity for a controlled outdoor event must not exceed the lesser of 1 person per 2 square metres of space of the premises in which the activity is conducted, or 500 persons.

Capacity at a COVID-19 safe outdoor gathering must not exceed the lesser of 1 person per 2 square metres of space of the premises in which the activity is conducted, or 50 persons.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will schedule all cricket-related activities to ensure any Public Health Orders relating to capacity and/or group-size limits are adhered to.

Where possible, Wakehurst Redbacks Cricket Club will schedule time between games/training sessions to enable all attendees to arrive and exit the venue safely, with minimal contact with others. Where possible, we have identified separate entry and exit points to the venue via signage and communicated this to participants and parents/carers.

We will continue to communicate with players to encourage come dressed ready to play and adopt the and 'Get in. Play. Get out. ethos'

Ensure 1.5m physical distancing where possible, including:

- **at points of mixing or queuing**
- **between seated groups**
- **between staff.**

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will display signage at the venue reminding participants of the need to physical distance wherever possible and of any capacity limits applicable to indoor areas.

The Wakehurst Redbacks Cricket Club has determined that two people only should be in the storage unit having regard to the 4m² rule. We will ensure that people attending the club rooms for equipment socially distance when queuing.

Where points of mixing or queueing are identified, we will identify where participants are asked to stand.

Avoid congestion of people in specific areas where possible.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will communicate to participants the need to avoid creating situations where there may be a congestion of people in a specific area and request that:

1. There must be no more than five (5) persons per training net at any one time (this can be any combination of bowlers, batters and coaches)
2. All personal and/or team equipment bags must be placed a minimum 1.5m apart from each other
3. Match Scorers sit a minimum 1.5m apart from each other and no person is to pass within 1.5m of an official scorer for any reason, including for the purposes of viewing the scorebook or electronic tablet
4. We will ensure that matches are live scored so that spectators can have access to

score updates

Have strategies in place to manage gatherings that may occur immediately outside the premises and in any designated smoking areas.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will actively encourage the “Get In. Play. Get Out” ethos.

We will advise participants not to congregate or loiter in any carpark areas. Where possible, Wakehurst Redbacks Cricket Club will schedule sufficient time between games/training sessions to enable all attendees to arrive and exit the venue safely, with minimal contact with others, while adhering to Public Health Orders.

Singing and dancing by audiences is not allowed in indoor areas.

Patrons can only consume alcohol when seated in indoor areas.

Agree

Yes

Tell us how you will do this

There is no alcohol consumption in conjunction with our activities.

Where practical:

- **encourage private transport options to minimise crowding on public transport**
- **coordinate with public transport to minimise COVID-19 risks associated with transportation to and from the venue if crowding may occur.**

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will request that participants avoid using public transport where possible.

Ventilation

Review the 'COVID-19 guidance on ventilation' available on nsw.gov.au and consider which measures are relevant to your event before completing this COVID-19 Safety Plan.

Agree

Yes

Tell us how you will do this

Volunteers from Wakehurst Redbacks Cricket Club will read and discuss the 'COVID-19 guidance on ventilation' to assess which measures are relevant to our activities. All our activities other than our storeroom operate outdoors. We will ensure that the door to the storeroom is always kept fully open when in use to promote ventilation in that space.

Use outdoor settings wherever possible.

Agree

Yes

Tell us how you will do this

All cricket activities will operate in an outdoor setting. When providing equipment/merchandise for collection from our storeroom we will utilize outdoors areas (including the undercover area on the roof of the storeroom).

In indoor areas, increase natural ventilation by opening windows and doors where possible.

Agree

Yes

Tell us how you will do this

All cricket activities operate outdoors.

Wakehurst Redbacks Cricket Club will increase ventilation within our storage area by ensuring the door is fully open when in use.

In indoor areas, increase mechanical ventilation where possible by optimising air conditioning or other system settings (such as by maximising the intake of outside air and reducing or avoiding recirculation of air).

Agree

Yes

Tell us how you will do this

Not applicable as all cricket activities operate outdoors and there is no mechanical ventilation in our storage area.

Ensure mechanical ventilation systems are regularly maintained to optimise performance (for example through regular filter cleaning or filter changes).

Agree

Yes

Tell us how you will do this

Not applicable as all cricket activities operate outdoors and there is no mechanical ventilation in our storage area.

Consider consulting relevant experts such as building owners or facility managers, ventilation engineers and industrial or occupational hygienists to optimise indoor ventilation.

Agree

Yes

Tell us how you will do this

Not likely to be feasible in relation to our storage space.

Hygiene and cleaning

Face masks must be worn by staff and customers in indoor areas, unless exempt.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will communicate to all participants a requirement to wear a face mask when using any of our indoor facilities whilst ever there is a Public Health Order requiring you to do so.

We will also display the relevant signage on any indoor area that we operate.

Adopt good hand hygiene practices. Have hand sanitiser at key points around the venue.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will promote the use of hand sanitiser and good hygiene practice to all participants. We will also encourage participants to carry personal hand sanitiser and to wash or sanitise their hands before, during and after all cricket-related activities.

Ensure bathrooms are well stocked with hand soap and paper towels or hand dryers.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will request of the asset owner, that amenities are well stocked with hand soap and paper towels (unless hand dryers have been installed) at all times.

We will rectify any shortfalls in supply or report any issues with stock levels in amenities to the venue owner/operator.

Clean frequently used indoor hard surface areas (including children's play areas) at least daily with detergent/disinfectant. Clean frequently touched areas and surfaces several times per day.

Agree

Yes

Tell us how you will do this

Where equipment is shared, Wakehurst Redbacks Cricket Club will instruct volunteers and participants to clean and disinfect any shared equipment in between each user using disinfectant wipes or disinfectant spray.

All cricket activities operate outdoors with no frequently touched areas or surfaces. When in use, Wakehurst Redbacks Cricket Club will clean indoor hard surface areas in our storage area each day the facility is used. We will identify such areas and create a cleaning process for volunteers and match officials to follow.

Record keeping

Use the NSW Government QR code system to collect an electronic record of the name, contact number and entry time for all staff, attendees and contractors.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will communicate to participants the need to use the Service NSW QR code system to check-in prior, and check-out after, any cricket-related activity. We will ensure that a QR code for any venue we use for cricket-related activities will have a QR code displayed in a suitable place to support this requirement.

Processes must be in place to ensure that people provide the required contact information, such as by checking phones for the green tick to confirm they have checked in (keeping 1.5m physical distance between staff and patrons). QR codes should be clearly visible and accessible including at entrances to the event.

Agree

Yes

Tell us how you will do this

Wakehurst Redbacks Cricket Club will communicate to participants aware of the requirement to use the NSW Government QR system to check in at each venue or facility.

We will ensure that QR codes and signage reminding participants of the need to check-in will be displayed in clearly visible and accessible locations.

If a person is unable to provide contact details, for example due to age or language barriers, another person may provide contact details on their behalf. If it is not possible for check-in to occur, keep a record of the name, contact number and entry time for all staff, attendees and contractors for a period of at least 28 days. These records must be provided in an electronic format such as a spreadsheet as soon as possible, but within 4 hours, upon request from an authorised officer.

Agree

Yes

Tell us how you will do this

Where a participant is unable to use the NSW Government QR Code Check-in System,

will direct volunteers and match officers to record their attendance and contact details on an alternative attendance register (e.g. a sheet of paper, scorebook or Notes section in a phone or tablet) or in the match-day scorebook, and then shared with Julian Humphrey via email treasurer@wakehurstredbacks.com.au. This will ensure it can be made available to an authorised officer available within 4 hours and filed for a minimum of 28 days.

If we identify identifies any language barriers to using the QR code check-in process, we will make use of the resources available at <https://www.nsw.gov.au/covid-19/resources-other-languages>.
